The Legalities of Sexual Harassment

Westport Y's Men

03.07.2019

Event Sponsor: Westport Y

Attorneys Susan Filan, Courtney George and Suzanne Sutton will discuss the impacts and legal ramifications of sexual harassment and strategies for recognizing and preventing harmful conduct and building a culture of respect. Sexual harassment was recognized as an unlawful form of sex discrimination in the 1980s. Thirty years later, the rise of the #MeToo and #TimesUp movements have shown that sexual harassment has continued to thrive in the workplace and in society at large.
