This is the second time Mr. Di Marco has received this award, the first being in 2018. Only a single lawyer in each practice area and designated metropolitan area is honored as the "Lawyer of the Year", making this accolade particularly significant. These lawyers are selected based on impressive voting averages received during the peer review assessments. Receiving this designation reflects the high level of respect a lawyer has earned among other leading lawyers in the same communities and the same practice areas for their abilities, their professionalism, and their integrity.
