

## Cohen and Wolf's Lunch & Learn Series: A Follow-up Conversation About Race

02.03.2022

On February 3, 2022, we were honored with a return visit from the Hon. Erika Tindill. In June of 2020, shortly after the murder of George Floyd, Judge Tindill joined our firm for a Lunch & Learn session entitled "Why is This So Hard? A Conversation About Race." In celebration of Black History Month, our Diversity, Equity & Inclusion Committee invited Judge Tindill back for another Lunch & Learn to continue the conversation. With more attention given to race issues over the last 18 months, we were curious to hear Judge Tindill's thoughts and perspectives. While she considers herself an "optimist," Judge Tindill reminded us that even with the strides that have been made, much work remains to be done. We are very grateful to Judge Tindill for joining us and sharing her personal experiences. We look forward to our next conversation with her.
